Hi Ed and Steve:

PG Environmental, LLC (PG) is planning on inspecting the CAFO/Dairy facilities listed below from April 8 through April 12, 2013. If you would like to attend please let me know. We understand if that is not possible and PG will contact you if any major issues or difficulties are encountered in the field. If you are unable to attend, but have some issues or focus areas that you would like PG to address during the inspections, please feel free to contact me. I will provide a phone call to the Santa Ana Regional Water Board following this notification email to discuss each of the facilities listed.

If you need to reach me while I'm in the field this week, please feel free to contact me on my cell phone
